

Modified slightly from [https://homework.adhoc.team/dog\\_license/](https://homework.adhoc.team/dog_license/) while we build our own assessments

## Scenario

You've been asked by your client, the Department for Pet Protection, to digitize their "Application for a Dog License" form. They want citizens to be able to submit the form online from their website. Before you start to plan the work, what questions would you ask the client?

## Submission

List the questions, keep it under 600 words, and store as a plain text file.

## Included files

There are no included files to download for this assignment.
